INTRODUCTION

The International Association of Forensic Toxicologists (TIAFT) recognizes the need for quality continuing education of its members. Therefore, TIAFT offers travel grants to assist both Standard and Developing Country Fund (DCF) members to attend the TIAFT annual meeting. These travel grants are awarded to selected members actively working in the field of forensic toxicology that show the need for financial assistance, have an accepted, high-quality abstract for the annual meeting, and agree to certain requirements of receiving the grant.

This document serves as a guide for announcing, receiving, and reviewing applications, as well as making final selections of the TIAFT Travel Grant awardees.

IMPORTANCE OF TIAFT TRAVEL GRANTS

In accordance with the TIAFT 2019 Constitution:

- Article 1; Section 2 - Aims

The aims of the Association are:

1. Provide an organization for professionals engaged or interested in the field of forensic toxicology or related areas of analytical toxicology, including the interpretation of the results of these analyses.
2. Provide a forum for the discussion and exchange of professional experiences in forensic toxicology and related areas of analytical toxicology between forensic toxicologists and all other interested parties.
3. To promote education and training in forensic toxicology and related areas of analytical toxicology.
4. Promote cooperation and coordination of effort among members.
5. Encourage research in and the practice of forensic toxicology and related areas of analytical toxicology.

AMOUNT OF ANNUAL TIAFT TRAVEL GRANTS

Annual TIAFT Travel Grants will provide financial assistance of a maximum of USD 2,000 plus the registration fee for that year's annual meeting (to include the annual banquet). The grant will cover the most cost-effective direct travel to and from the annual meeting (e.g., airfare, train, etc.), as well as the cost of economical accommodation for the night prior to the first day of the annual meeting through the night of the farewell banquet. The grant is not to be used to cover the cost of meals,

miscellaneous personal expenses, accompanying persons, or pre-/post-conference tours. Additionally, with the exception of the annual meeting registration fee (paid directly by TIAFT to the organizer), the TIAFT Travel Grants serve as *reimbursements* of travel and lodging expenses and not prepayments of such.

ELIGIBILITY FOR TIAFT TRAVEL GRANTS

Any TIAFT Standard or DCF Member in good standing is eligible to receive a travel grant if have been a member for at least one year at the application's closing deadline for that year's meeting. No exceptions to these requirements will be made.

ANNOUNCEMENT OF ANNUAL TIAFT TRAVEL GRANTS

No less than four (4) months prior to the next annual meeting of TIAFT, updated information on annual TIAFT Travel Grants will be posted on the TIAFT website and an email will be sent to all members announcing the acceptance of applications for the grants.

APPLICATION FOR ANNUAL TIAFT TRAVEL GRANTS

All interested candidates MUST complete a current TIAFT Travel Grant Application (Appendix A) and supporting documentation to be considered for the grant. The application requires demonstration of a number of criteria that will be used by the TIAFT Board of Directors in deciding the candidates most qualified to receive a travel grant for that year's annual meeting. Among the criteria that will be evaluated are the following:

- Length of TIAFT membership
- Previous TIAFT Travel Grants received
- If a quality abstract was accepted for the annual meeting
- Length of time actively working in the field of forensic toxicology and positions held
- Attendance and presentations at previous TIAFT meetings and other international scientific meetings
- Explanation as to why attendance is important for the individual applicant
- Detailed explanation of the need for the financial assistance

- Whether others from the same agency have also applied for a TIAFT Travel Grant or have registered for the conference
- Reasonable estimation of costs for transportation and lodging for the annual meeting

All TIAFT Travel Grant applications must be received by the TIAFT President by the stated deadline to be considered. Submissions are best done electronically, but applications may also be mailed or faxed provided they reach the President by the deadline. Once the deadline has passed, the TIAFT President will collate the applications into electronic packages and distribute them to all TIAFT Board members for review.

REVIEWING APPLICATIONS FOR TIAFT TRAVEL GRANTS

All TIAFT Board Members will independently review and score the applications for TIAFT Travel Grants and then participate in a group discussion to decide which will receive a grant for the upcoming meeting.

To ensure objective reviews, all reviewers will independently prepare an evaluation form based on detailed scoring criteria (Appendix B). The individual scores will be provided to the TIAFT President who will then compile them into a group score sheet that will be used for Board discussions. Initially, the average scores for each criterion will be used to facilitate the discussion. It is expected that during the discussion, some Board members may wish to modify their original scores upon hearing the reasoning for another Board member's evaluation score. This is perfectly acceptable and will help ensure that the best decisions are made in awarding TIAFT Travel Grants. Once an adequate discussion has occurred, the final scores will be reviewed, and a decision will be made as to those that will be offered the grant for the coming meeting.

NOTIFYING WINNERS OF TIAFT TRAVEL GRANTS

Within one week of the Board's review, the TIAFT President will notify all applicants of the Board's decision concerning their application. For those selected to receive the TIAFT Travel Grants, the TIAFT Treasurer will be copied in the notification so that follow up communication can be had with the awardees about receipt requirements and how payments will be handled.

PAYMENT OF TIAFT TRAVEL GRANTS

It is important to realize that, except for the meeting registration fee, TIAFT Travel Grants are *reimbursements* of travel and lodging expenses and not prepayments of these expenses by TIAFT. Grant payments are arranged with the TIAFT Treasurer and are made after receipts of expenses are provided. All payments will be made within 30 days after the last day of the annual meeting and can

be made by check, wire transfer, or PayPal transfer. Grant awardees are responsible for any bank fees (i.e. wire transfer fees, PayPal fees, or international check fees).

This includes being present in all scientific sessions, poster sessions, the business meeting, and social events, including the farewell banquet.
